# Dedication

**Mr. David Williams**

The 1983 Pamlicoan is dedicated to a person whose understanding and patience sometimes goes unacknowledged. He is never too busy to listen or to help and his door is always open to those who need his invaluable guidance whether it be for help with a problem or a college application.

For these and many other reasons the Senior class would like to dedicate the 1983 Pamlicoan to Mr. David Williams.

## Miss Pamlicoan

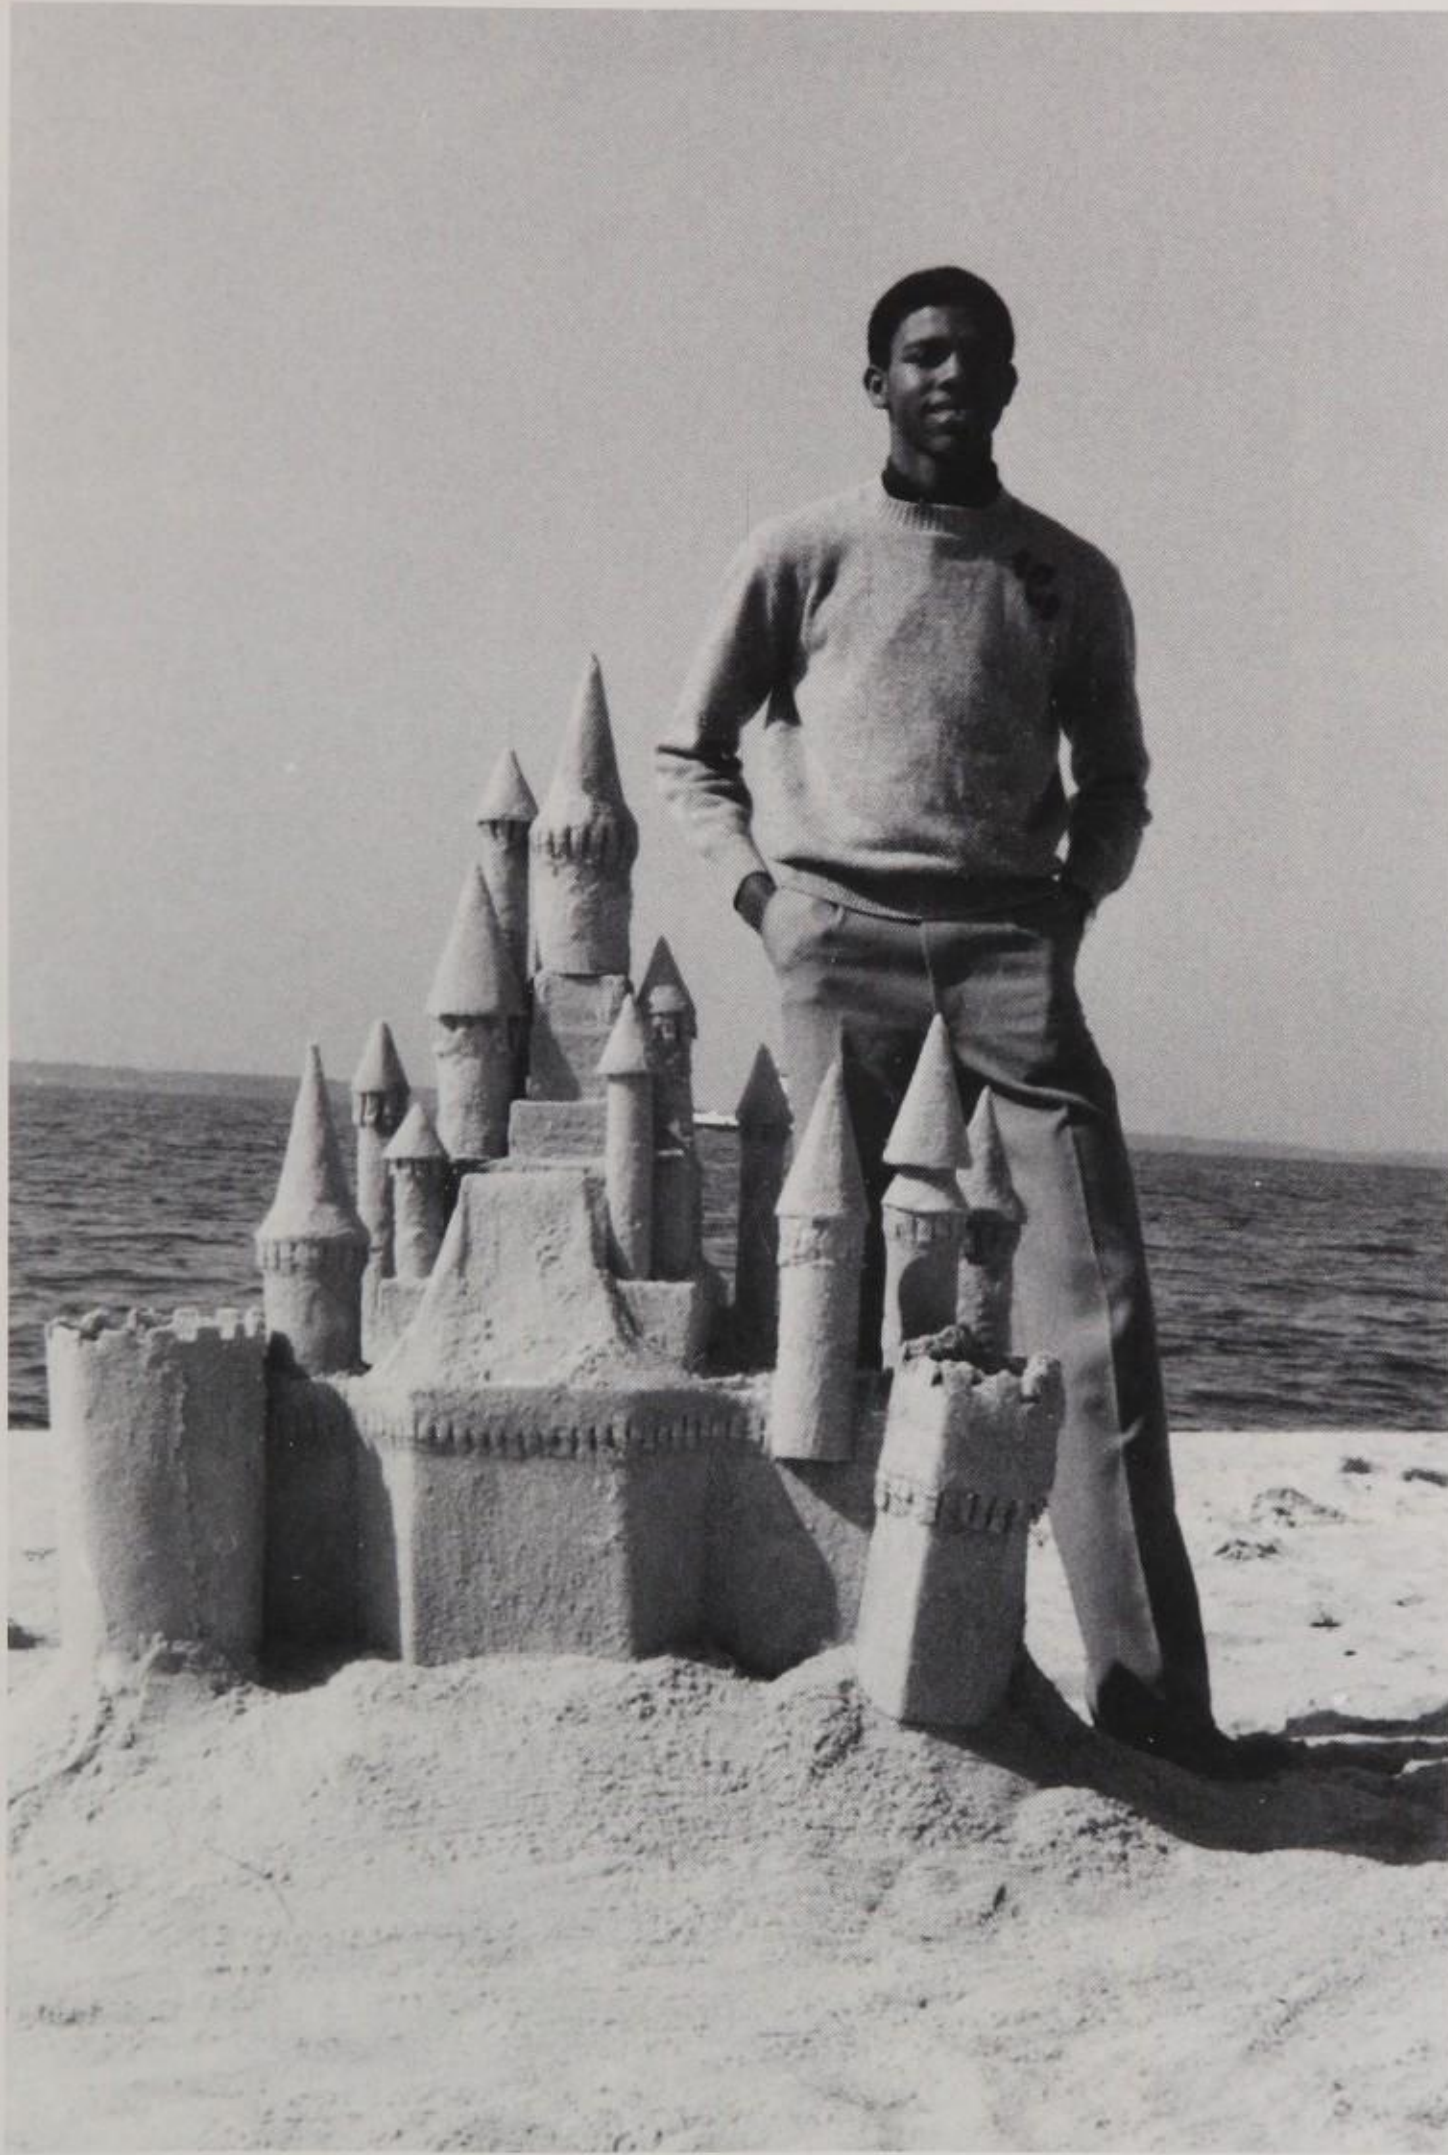

**M**iss Pamlicoan is awarded to a student who has been judged by her peers to be worthy of such an honor. She is a person who has excelled academically and contributed much to our school in the four years she has been here. Because of her cheerfulness and willingness to participate she is liked by us all. The Senior Class of 1983 is pleased to award the title of Miss Pamlicoan to Sharon Gaskins.

**Sharon Gaskins**

## Mr. Pamlicoan

Greg Cutler

**M**r. Pamlicoan also awarded for excellence, goes to a person whose academic merit, contributions, and other worthy personal characteristics enhance the structure of Pamlico County High School. His hunger for knowledge and outgoing self make him representative of the ideal student. For these reasons the Senior Class is privileged to award this title to Greg Cutler.

# CONFERENCE COUNTDOWN

## Pamlico vs. Tabor City

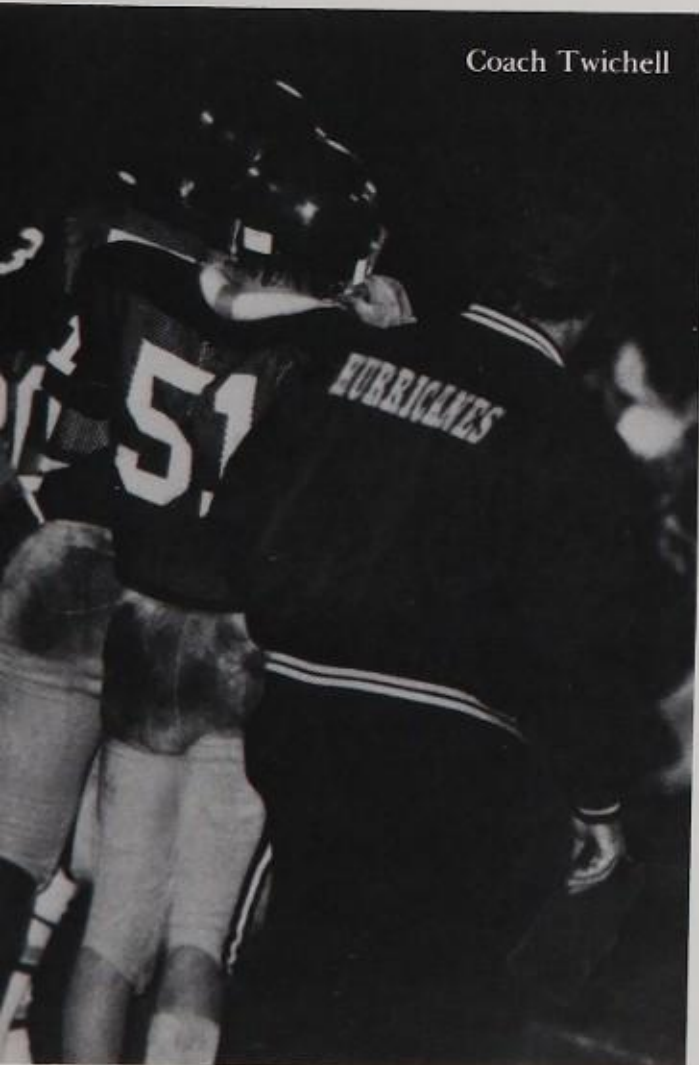

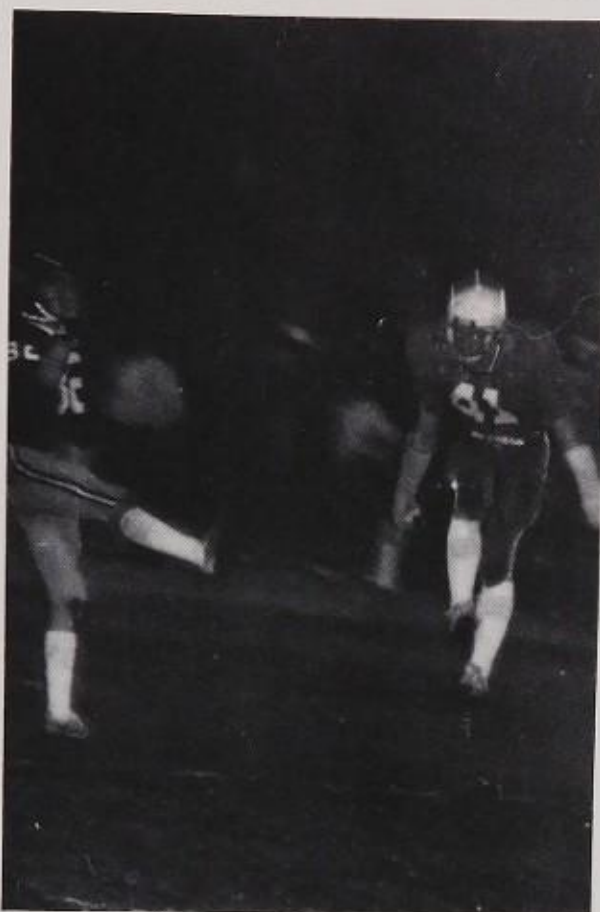

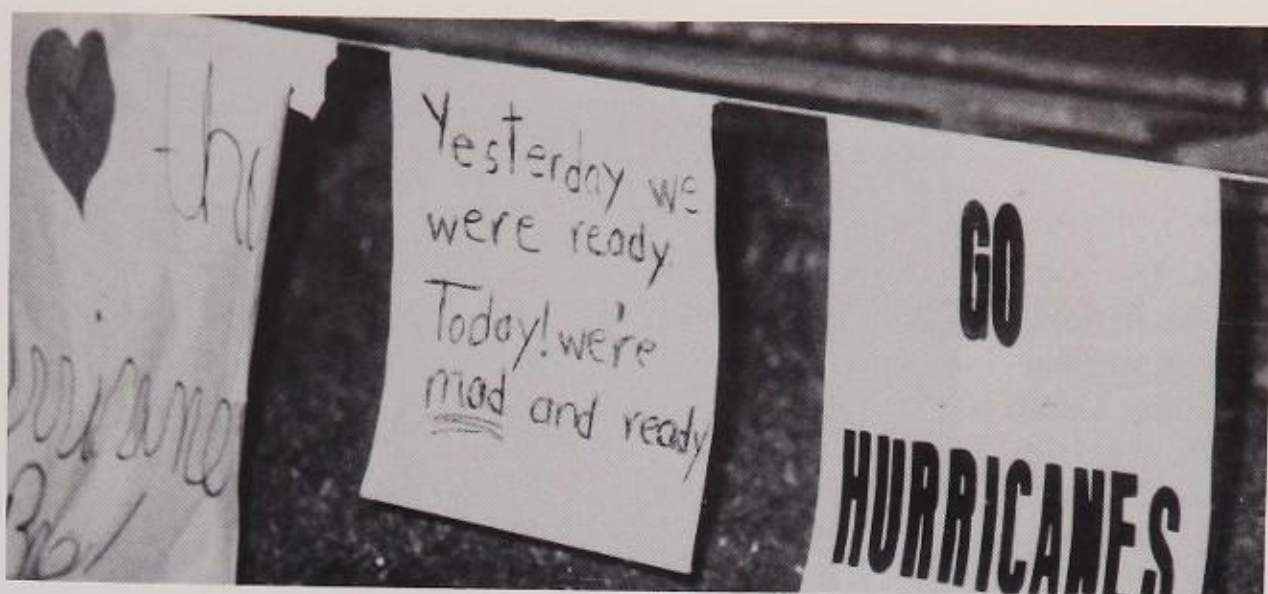

### A note from Coach Twichell:

"We played extremely well for most of the game, however we did make six crucial mistakes which broke our backs. Offensively we did a great job, Thomas Squires rushed for 211 yards and the offensive line dominated

the line of scrimmage. The defense played well, also. We lost the game but played with pride and determination and showed the people at Tabor City that we were a play-off caliber team."

# The Hurricane Booster Club

The Hurricane Booster Club, a support organization providing monies and manpower for the benefit of Pamlico County Schools' athletic programs, took a look at its 1981 achievements and envisioned that excellent results could still be improved upon.

The club, which had raised \$13,000 in 1981, set its goal at \$20,000. And what was the outcome of such lofty aspirations? The figures soared above \$21,000. This means that in two years (actually only 20 months), the Hurricane Boosters were successful in raising and spending in excess of \$34,000.

In its stadium drive, headed by Joe Hudnell and Dallas Taylor, the support club received 132 donations amounting to \$19,440 ... an average of \$147.27 per contributions. The club in addition brought in \$1,630 in membership dues and profits from special projects. During the past year, the club paid approximately \$17,000 for new bleacher sections at the high school stadium where one aluminum bleacher section and a

combination pressbox-concession stand had been erected in the previous year at a cost of \$12,000.

Also paid for by the Hurricane Boosters during the 1982-83 school term has been coaching assistance for the football team, cheerleaders' bus fare and meals for the team members at the state playoff game at Tabor City, uniforms, awards, letters, pins and trophies for the PCHS athletes.

At the top of the priority list for the coming year is upgrading and increasing the athletic equipment at Pamlico Co. Junior High, in addition to continuing many of the previous support activities at the high school, according to current club president, Ben Hollowell.

Other 1982-83 Booster Club officers are Kitty Whorton, Ben Hollowell, Sally Mauney and Dick Barkley.

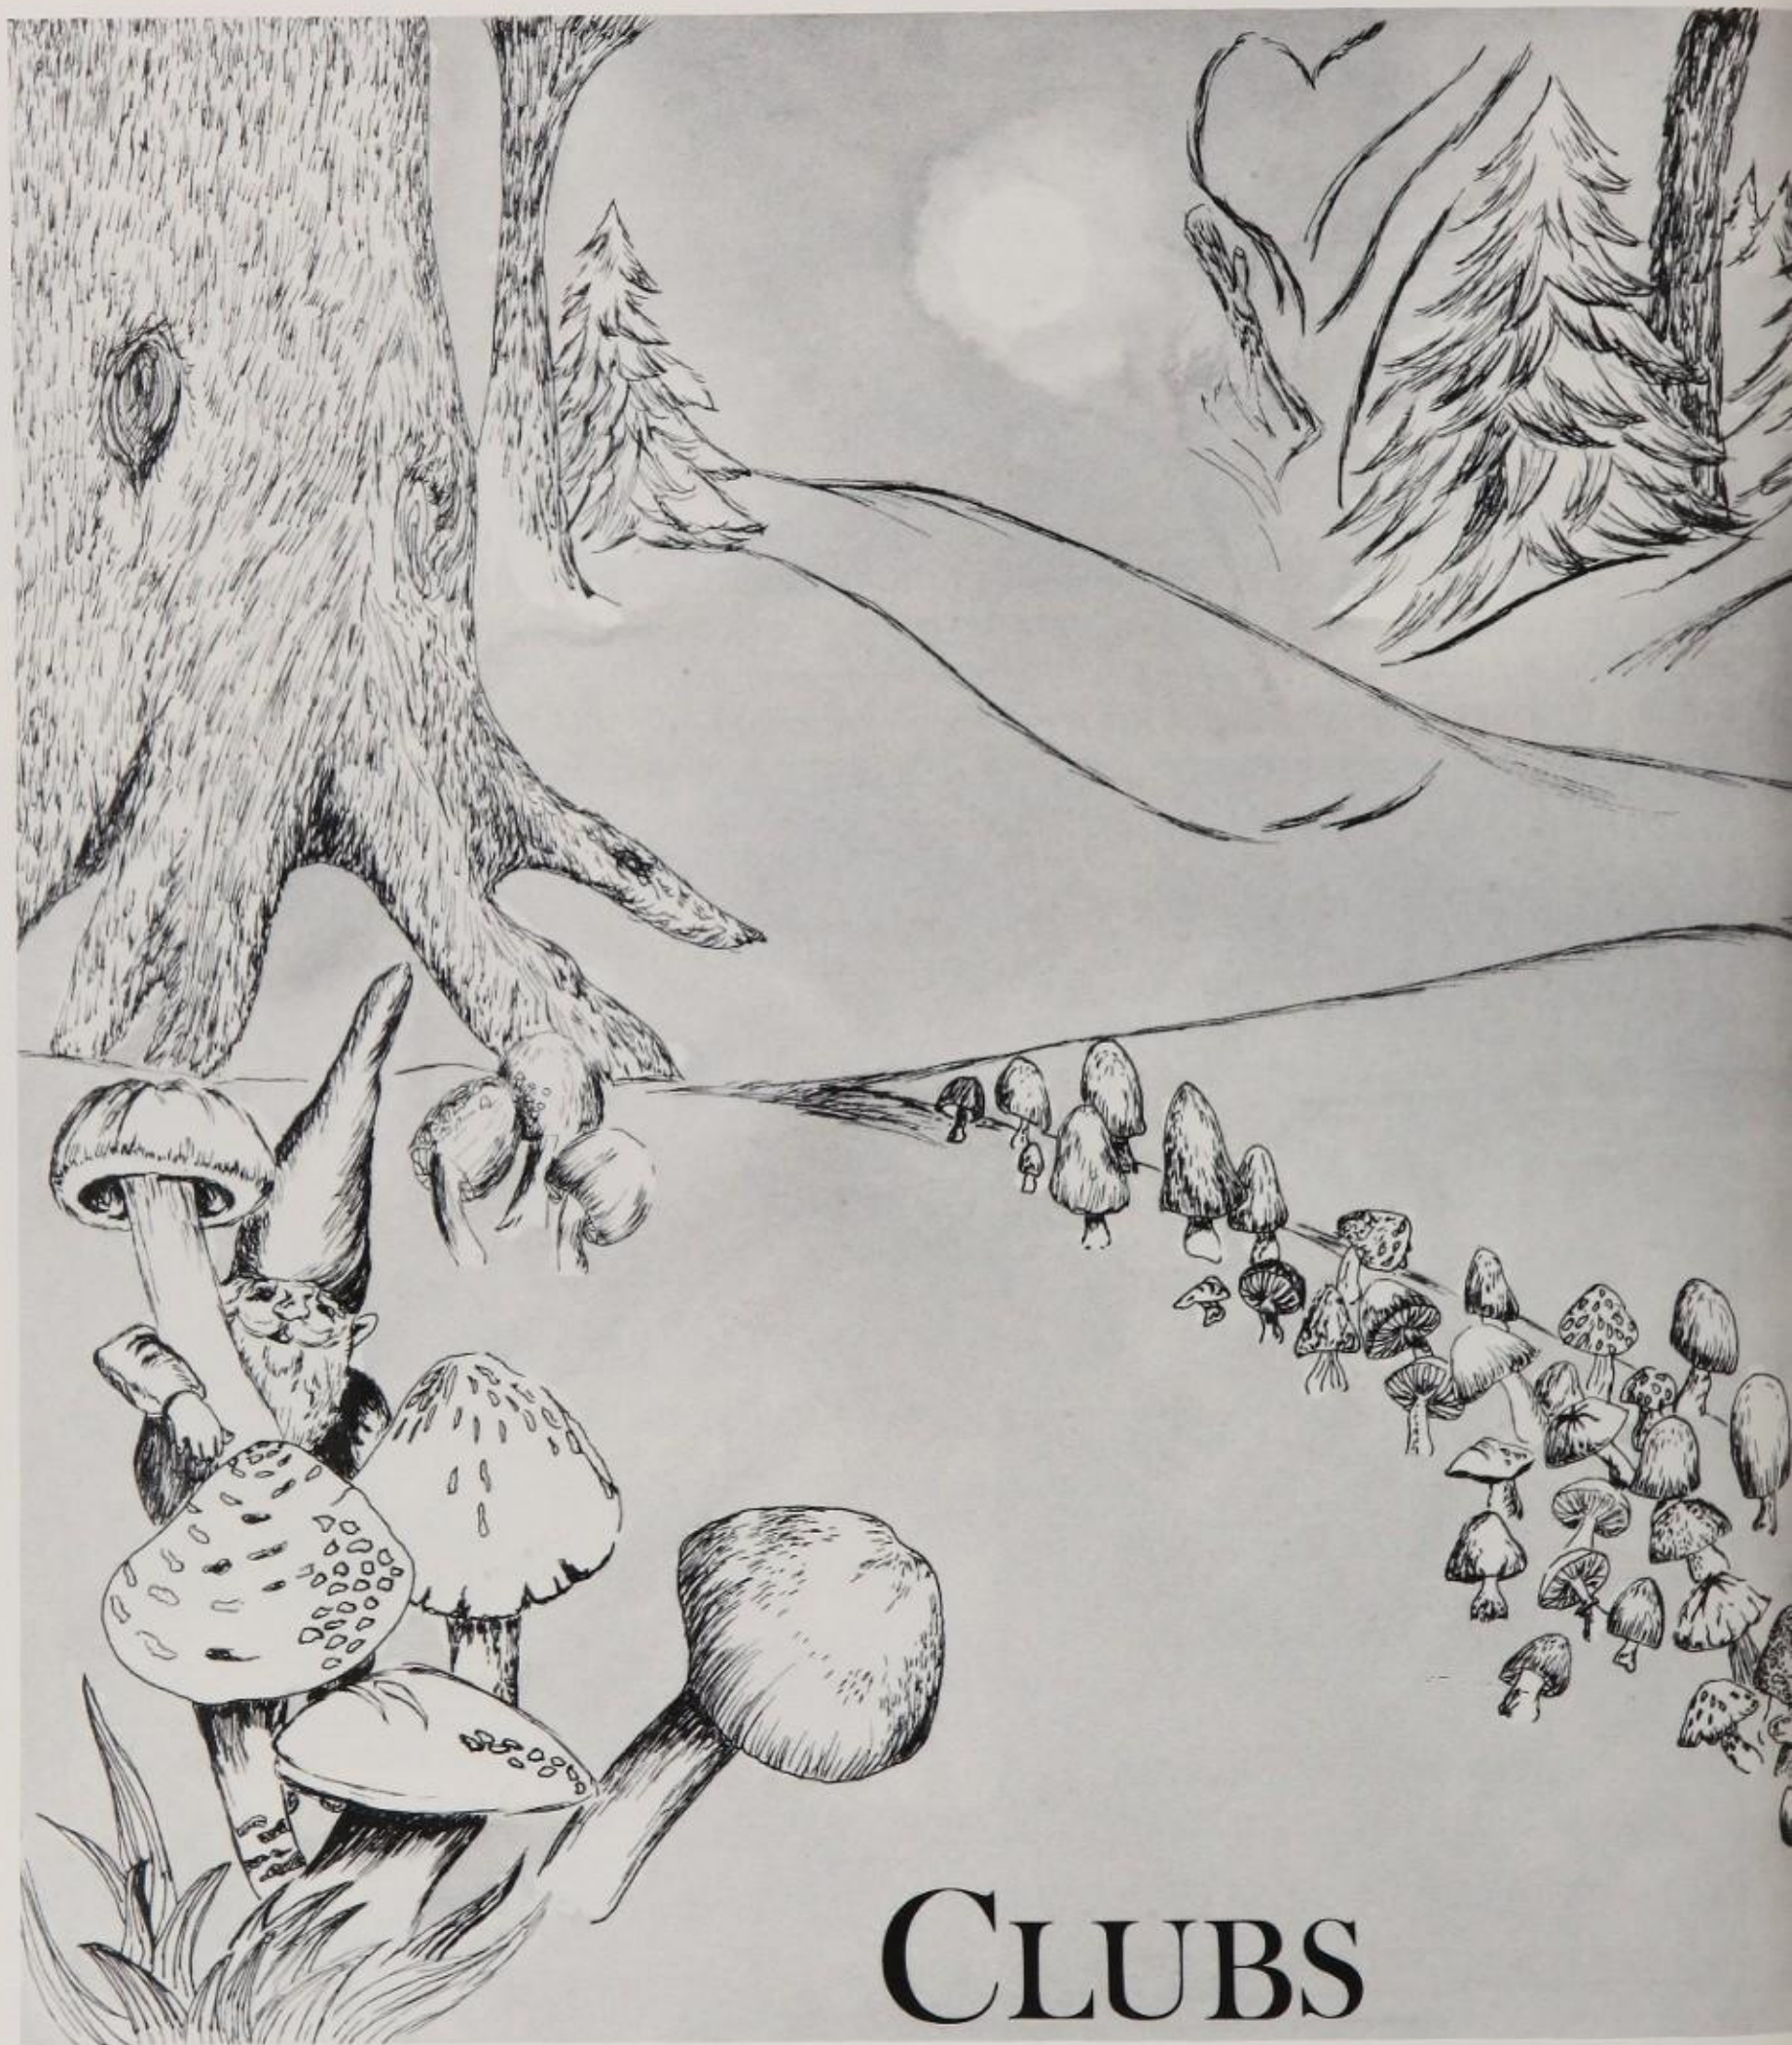

PCHS is indeed both fortunate and proud to be benefiting from such outstanding support as is being given by the Hurricane Booster Club.

Club officers, left to right: Dick Barkley, Treas.; Kitty Whorton, Vice-Pres.; Sally Mauney, Sec.; and Ben Hollowell, President.

The club is service oriented in school, community, and state. Traditionally, Beta Club gives a gift to the school. This year it was a beautiful trophy case shared with SGA. A few of the many service projects performed by the Beta Club this year were: donations to the National Arthritic Foundation, Pitt Memorial and Chapel Hill Burn Center, the Special Olympics, and the county Recreation Department. Also, Beta Club gave Thanksgiving baskets to three families of the county.

Having a new sponsor, this year meant accepting new challenges and new ideas. Our local chapter adapted a local mascot, emblem, and motto.

To Mrs. Gatlin, Beta Club says, "Thank you for a task superbly executed!"

Once again the French club began another promising year under the excellent sponsorship of Mrs. Leary. Eagerly, the enthusiastic group awaited the candy sales. Soon they were rushing through the halls shouting, "Get your M&M's!" Other activities during 1982-83 included: the Smurfs' Christmas skit, donating to the Special Olympics, attending a performance of **Cyrano de Bergerac** in Raleigh, observing Foreign Language Week, and entering a float in the county Christmas parade. The highlight of the year was the Montreal/Quebec tour in April, partially financed by the candy sales. But the French club isn't all amusements; its basic purpose is to enrich the students' knowledge of the French culture. Being a part of the French club is a learning experience that is genuine fun!

Weyerhaeuser  
in North Carolina

## ***Our roots grow deep in North Carolina***

Our roots grow deep in North Carolina. And we've been growing since the day we arrived at Plymouth in 1957.

That was 25 years and millions of seedlings ago, when we were papermakers in a single location. The trees we planted then are the raw material for today's lumber, plywood and particleboard as well as for pulp and paper.

We're an integral part of the communities of Jacksonville, Moncure and New Bern, and we're still living and working in Plymouth.

We're proud of our growth here. Proud of the contributions we've been able to make to the state's economy. But, like all good North Carolinians, we've got our eyes on the future.

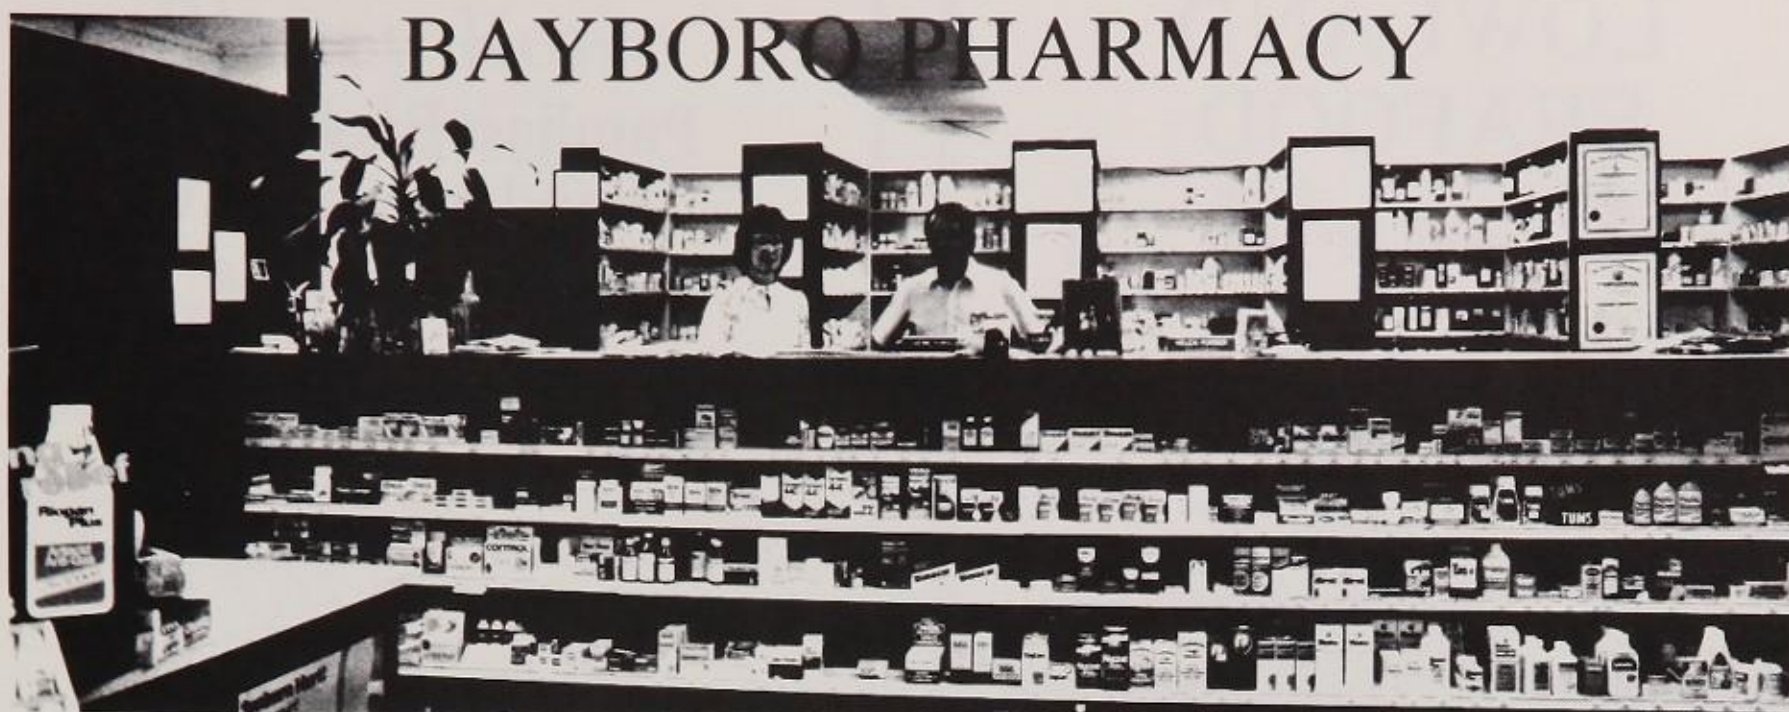

The trees our foresters plant today are the raw material we'll be using in the year 2000 and beyond. So, you see, we'll be around for awhile.
